

APPEAL

Appeal can only be submitted against the procedure of evaluation, not against the outcome of the evaluation. The appeal has to be submitted by letter or by e-mail within 10 working days (with the date of postmark as proof) after receipt of the outcome of the evaluation. The appeal is sent by e-mail and regular mail to the S-DISCO Coordination Office at Ghent University. The appeal will then be investigated by the International Student Support Services of Ghent University. Within 21 working days after having received the appeal, the student will be communicated about the outcome of his/her appeal.
